

Hour Meters

We offer high-precision hour meters with a wide range of housings and environmental certifications.

722 AC Quartz Hour Meters

Its quartz time base ensures accurate long-term time keeping. The totally sealed case protects against the environment and provides years of reliable service. Certifications: CE, cUL, NEMA 4 & 12, ROHS, UL

Input: 90-264V AC 50/60 Hz

Housings: 2-Hole Rectangular, Flush-Rectangular, Square, Flush-Round and 3-Hole Round

Termination: 1/4" spade terminals

711 AC Hour Meters

The 711 Series is a family of compact, low-power and versatile timers. They have a clear, large-figure display designed to complement existing meters in control panels. Certifications: CE, cUL, NEMA 4 & 12, ROHS, UL

Input: 115V AC, 230V AC, 24V AC (50Hz & 60Hz available)

Housings: 2-Hole Rectangular, Flush-Rectangular, Square, Flush-Round and 3-Hole Round

Termination: Option of 1/4" spade or screw terminals

3410 AC & DC Hour Meters

The 3410 Series is an incredibly versatile range of totally sealed electronic timers. These timers have a compact depth and are available in five industry standard housings. Certifications: cUL, IP66, NEMA 4 & 12, ROHS, UL

Input: 10-300V DC, 20-300V AC

Housings: 2-Hole, 3-Hole, Flush-Rectangular, SAE Round, Snap-In

Termination: 1/4" spade terminals

731 DC Hour Meters

The 731 Series is a family of compact, durable hour meters that are quartz controlled for high reliability and accuracy. They are available in a range of standard industry housings with crisp, distinctive styling.

Certifications: CE, cUL, ROHS, UL, IP65

Input: 10-28V DC

Housings: 2-Hole, 3-Hole, Flush-Rectangular, SAE Round, Square

Termination: Option of 1/4" spade or screw terminals

Stainless Bezel Available

6320 AC & DC Hour Meters

The self-powered 6320 Series timers are available in single and multi-function units. Choose hour meter, minutes meter or seconds meter. Features include three Redi-alerts, preset functionality, start time (on hour meters) and optional front panel programming. Certifications: CE, cUL, IP66, NEMA 4 & 12, ROHS, UL, WEEE

Model 632X-XXXX-XXXX

Input: High Voltage - 20-300V AC or 10-300V DC <2mA, Low Voltage - 3-30V DC <2mA, Switch Input (no voltage)

Housings: 1/32" DIN, Flush-Rectangular

Termination: Terminal Block

632X-0XXX-0000 - dry contact | 632X-1XXX-0000 - 3 - 30V DC | 632X-2XXX-0000 - high voltage

7511 AC & DC Hour Meters

The 7511/7511HV timers are self-powered by an internal battery with a 10-year life and are ideal for panel mounting. Features include four timing modes, timing direction indication and LCD display with optional backlight.

Certifications: CE, cUL, IP65, UL

Model 7511

Input: 7511 - Dry Contact

7511HV - 10-10V DC, 10-240V AC

Housings: 1/32" DIN, Panel Mount

Termination: Terminal Block
